Senior Class Prophecy

Minooka Community High School

Minooka, Illinois

Dear Mr. Siron,

Since you were so fond of the 1965 Senior Class, we thought you would like to know what has become of us. First of all, let us explain who we are and what has become of us. We are *Deenie Boese* and myself *Rita Orlomoski*. I have obtained the highest standing in the world in the field of psychiatry. I obtained my doctorate degree from several universities which include Harvard, Yale, Princeton, and Notre Dame. Deenie also has a doctorate degree, but in sociology.

We are writing to you from Jelly Bean Island off the coast of South Africa, owned by none other than *Jim Chenoweth*. We were sent here for the purpose of research by the President of the United States, *Bob Hoop* and his first lady *Tina (Bird) Johnson*. Along our route of travel we have met most of the former 1965 senior class students of Minooka High School.

On the way to Europe our pilot was *Jerry Davidson* who flew the Flaky Airlines owned by *Larry Jones*. Our stewardess, *Mary Hoop*, was very pleasant. While flying we conversed with the greatest escape artist in the United States. Yes, you guessed it, none other than *Etha* (who done it) *Hensley*. While relaxing on the flight we watched astrovision. The "Tonight Show" was on with great stars *Jerry Guggins*, that great comedian, also *Dave Brown* and his Adorabellies *Judy Clark*, *Linda Evans*, and *Sally Stroud*. We also saw the United States space flight with astro boy *John Darte* and companion *Kathy Bels*. This flight was the first man/woman flight ever to go up successfully. The first flight, which contained *Lana Zink* and *Howard Davidson* wasn't very successful to our dismay.

When we landed in Paris, customs inspector *Sharon Hoppert* inspected our luggage. We were talking about the headlines that were in the papers: "Marsha Thomas elopes with Bonnie Prince Charlie." Then I realized that it was getting late and we had to make our hair appointments at the *Crazy Wave Beauty Salon* owned and operated by *Dee Potts* and *Donna Eneix*.

After a hairdressing afternoon we went to our hotel, the *Shady Lady's Lounge* in Paris. We were greeted at the door by bellhops *Steve Bailey* and *Jerry Hanger* who introduced us to the manager, *Ralph Siron*. Ralph told us about friends of ours who were also staying at his hotel. Later we found out that the friends were basketball manager *Lee Stroud* and all-around basketball player *Al Dorick*.

By now Deenie was pretty hungry, so we decided to eat big. I wanted to go to the *Gay Paroo*, the biggest restaurant in Europe, owned by *Alce (nee) Elia Halbert*. We were greeted at the door by two smiling bunny girls, *Lee Bulhelme* and *Sherrin Sharpton* who took us to our table. The master of ceremonies for the evening was *Mel Smith* who introduced guest singer *Carol Jones*. While we were listening to Carol, we happened to glance at the next table. Two of the best known European play boys (*Harry Ludwig* and *Dave Peterson*) were sitting there. Remembering us from Minooka High School, they came over and asked if we were sitting alone. When we said yes, they decided to become our escorts for the rest of the evening.

The first place they took us was to *Tom Harrington's Wholesale Beverage Store*. After a sparkling hour we went to *Heber's House of Ivy* owned by *Helen Davidson*. We sat and heard poems by *Frank Ashley*, and folk songs by *Larry (Daddy Cool) Dirst*. We also saw a swordswallowing act with *Dan Friant* and *Bill Motony*. When Dan Friant cut his neck, he was good at things like that. Doctor *Irma Roussenclos* and nurse *Lora Zink* came to the rescue. While we were there they announced the "Miss Universe Contest" winner as *Phyl Stafford* and "Mr. Universe" as *Keith Styles*. Harry and Dave wanted to see the wrestling match between *Big Daddy John Tapley* and *Bear Cat Doug Sitzes*.

That night we also went to a movie called, "Tarzan In Paris," starring *Ralph Gabrielson* as Tarzan, *Sue Pumphrey* as Jane, *Nan Harlow* as Baby Jane, and *Terry Coley* as Boy.

After a good night's sleep we went to the biggest amusement park in Paris owned by *Joan Martin*. There we met the Snow Cone King, *Steve Sanders*. We also saw the "Odd Ball and Freak Show" with *Elton Gerber* as manager.

Finally our trip was coming to an end. We took a plane to our headquarters on Jelly Bean Island. On the plane we ran into the last person in the 1965 class, *Ron "Money Bags" Scorserson*, who was vacationing on Jelly Bean Island from his stock market empire.

Well, it's good to be back to work, even if it is on Jelly Bean Island.

Sincerely yours,
Deenie Boese
Rita Orlomoski

Four years ago the Class of 1965 entered Minooka High School. Most of us were a little scared and not certain what the future would hold. Our freshman year was spent with acquainting ourselves to high school life. Our sophomore year was probably the most restful of our four years. Our junior year was full of excitement and hard work. First came the play "Stranger in the Night" next came Christmas card sales, and then came the highlight of the year—the Banquet and Prom "ENCHANTED ISLE." Our last year was a busy one, too. Our senior play consisted of 3 one act plays—"Bench 16," "Crackerbarrel," "He Done Her Wrong." This year the juniors presented us with the banquet and prom "Gone With The Wind." Shortly after that was the Senior Trip. The remainder of this busy year was filled with plans and expectations for that day we'd been waiting for—GRADUATION.

Looking backward we see many fond memories and warm friendships and many moments we'll never forget. We are very thankful to those who helped us prepare for the future we face as we, the Class of 1965, leave Minooka High.

The Indians completely dominated the match, gaining seven wins and two decisions while the visiting Lemont squad was held to a single pin and a tie.

competition like Plainfield and Gardner, he thinks that the tournament should be rather close all the way.

In closing Decker said that all in all, it should be a pretty good tournament, with some especially good matches on Wednesday night.

Gardner High School wrestling Coach Pat Kenny told the Herald reporter that with a full

Decker of Minooka, and Pat Kenny, of Gardner, who are in their first year of coaching at their respective schools, were interviewed by the Morris Daily Herald reporter. Following are some of their comments on the tournament.

Wrestling Coach David Decker, told the Herald reporter that two boys, Doug Fitzes, who wrestles in the 134 pound division, and Frank Ashley, wrestling in the 180 pound class, have done exceptionally well this year, and has high hopes for them in the tournament.

According to Coach Decker,

At the present time, Gardner has only a 10 man team. Kenny said that he started out with 14 boys, but there are now 10. In the tournament at Minooka however John Vigna, who wrestled at the heavy weight position until he was injured, will be missing, so there will be only a nine man squad for tournament action.

There is very little doubt in Kenny's mind that McGuire will win the 112 pound championship, so with both local coaches thinking this, McGuire should be able to walk off with a championship.

Ray Papach, a senior wrestler with a 14-2 record, and is regarded as a "winner" in the tourney by Kenny.

Vic Serena, senior 120 pounder, also has a pretty good chance, according to Kenny.

There will be no Gardner entry in the 138 pound division but 165 pounder Larry Hahn may place. Rick Phillips, a junior at 154 pounds, is also regarded as having a chance to win.

Indians Win Over Foxes

Minooka Trims Newark 4-0

MINOOKA — (Special) — The Minooka Indians along with a grand slam homer by Harrington Minooka Indians evened their on scored five times in the first record at one victory against inning Thursday evening one loss on the baseball diamond against the Yorkville Foxes and as a result of a 4-0 victory over then coasted to an easy 8-3 win the Newark Norsemen here

The game started out alright Monday afternoon for the Foxes as they got the first Indian to strike out, but proving they were a team which then a hit batsman, a hit, could produce runs as they used double and a walk loaded the two singles to their fullest bases. Harrington then cleared the way as they pushed at them as he hit his big four run three big runs in the top half of the first inning to jump to an

The Indians added two more early lead over the Norsemen runs in the following inning and Minooka then went on to add one in the fifth

Going into the first inning while the Indians star pitcher the Indians had found them Dave Brown, held the Newark selves trailing the Foxes a nine scoreless to wrap up the ball they allowed the Foxes to tally game for Minooka

a run in the top of the first. Tom Harrington took high hit

The other two runs for the Indians came in the sixth and seventh innings. The Indians had club as he rapped out a double and a single in three trips to the plate

Dave Brown was the big man with the stick for the Indian

far as hits and runs Thursday evening as he tallied two runs and got three hits for three trips to the plate

Rodgers got credit for the win for the Indians and Grindle was charged with the loss

MINOOKA

Dave c — ked up the win for the Minooka nine as he went the entire seven innings striking out 14 and walking three

The Minooka nine played two games this week and have one left with Lemont. Their last game, Friday night Dave Brown fired a no hit for the Indians

While on the subject of the Minooka Indians and Dave Brown I'd like to make a comment about Dave Brown and his battery mate, Al Dorick

In this area this past year there have been several outstanding players and this is not intended to take away from their fine playing ability but these two boys for the Indians have done a very outstanding job during the past year although it has gone almost entirely unnoticed

Brown has been the number one mound ace for the Indians and Dorick has been the number one receiver for them. The combination of these two boys has been one of the better combinations at the school in some time

Brown has lost many a game during his four years in high school that could just have well been marked up in the win column

In a game a year ago which I recall very clearly Brown pitching for the Indians got tangled up in one of the best high school contests I have seen. The Indians crossed paths with the Coalers in the Coal Valley Tournament

Brown and Greg Washburn, everyone's choice for All State baseballer if there were one, got into a contest which went 10 innings and was called due to darkness with the score at 1-1

The following week Brown lost to Washburn and the Coalers but again he turned in a sparkling performance

While Brown was doing the pitching for the Indians Dorick sat behind the batters and gave Brown signals for pitches, and most of the time Dorick had the batter figured as he helped Brown get many a batter on strikeouts
